The New FRANKLIN Motor

Here is power-vigor with simplicity. From all parts of the country come reports of remarkable hill climbing ability and quick acceleration. No cooling system ever developed, either by air or water, can equal this Franklin invention in dependability. The new pressure system enables this motor to perform perfectly under conditions that would stop any other engine made. You will find also greater speed and economy. New demountable rims. Lowest price in 20 years.

> People have found the Franklin demonstration plan a good way to find out about a car-a ride of 50 to 500 miles or more
